# Winter Storage

Don't delay - winter is on its way. Call us today to reserve your winter storage space. Your referrals to friends and family can help us maintain reasonable, competitive pricing and keep our rates down.

Our gated facility in Toms River is the only one that provides 24-hour surveillance and is situated in a high, dry location.

Our storage package includes comprehensive services for boats arriving by water, such as haul out, power washing, blocking, unblocking, and spring launch.

In addition to our boat brokerage and sales services, we also provide winterization and shrink-wrapping solutions for your vessel.

As your trusted Mercury dealer, we provide a widespread variety of repairs, services, and sales. Additionally, we offer an extended platinum racing warranty for your Mercury products.

The all-new 2022 YZF-R7 bridges the gap between the entry-level YZF-R3 and the prestigious YZF-R1, offering a mid-level option for both new riders looking to grow into a more powerful motorcycle, as well as experienced riders seeking a fully-faired motorcycle with Supersport performance that fits within their budget.
